2. Students purchasing more than one ticket for dances, homecoming events, prom, etc., must provide the name(s) of the guest(s) to confirm compliance with the 90% unexcused absence requirement. Tickets **will not** be sold for students who are below the requirement.
3. Students who meet the 90% unexcused absence requirement for the 2021-2022 school year will earn the privilege of preferred, assigned parking on campus for the 2022-2023 school year.
4. Students participating in extra-curricular activities must comply with the attendance requirements for that team or activity.
5. Additionally, students must be in attendance at school a minimum of half a day to participate in extra-curricular activities (Administrator approval required for exceptions.) (Refer to the Athletic Handbook, page 26).
6. All academies and special programs students are subject to probation if their attendance is below the 90% unexcused absence requirement.

The guidelines outlined above apply to unexcused absences. Excused absences, medical absences, and quarantine situations when properly documented will not count toward the 90% requirement.
